LOOKING FOR FUNDING FOR YOUR CLEAN ENERGY PROJECT?

Breakfast with the Fund

The West Penn Power Sustainable Energy Fund (WPPSEF) is a 501(c)3 non-profit that provides investment capital for clean energy projects that benefit the West Penn Power ratepayer. Learn what we are doing and see if your project is eligible. What do we fund? Visit our website [Project Gallery](#) and take an online tour. Download our [Request for Proposals](#).
